## 15% Rescue Bonus Terms and Conditions

**This bonus program is intended to protect accounts from drawdown periods. The bonus can be lost with no limitations and also be used as margin.**

- The bonus will be deposited automatically into all HotForex Accounts
- The bonus will be applied on EVERY deposit.
- The bonus can be used as stop loss as there is no limitation in using it
- The bonus cannot be withdrawn under no circumstances
- The company maintains the right to change the terms of the bonus policy at any time and without notice.
- In the case that client will perform a withdraw a corresponding bonus removal will automatically take place
- The formula used by the system regarding Bonus Removals upon a Withdrawal request is the following:  
WITHDRAWAL AMOUNT X 15%
- Placing opposing positions with the 15% Rescue bonus on two different trading accounts will be considered as a bonus abuse. In such cases the company will remove the bonus from both accounts.
- Every client can have ONLY ONE bonus account of each type. In case several accounts of one type are found belonging to one person or related persons (or if such suspicions arise, including IP address match, contact info match, related trading etc.), all the bonuses will be cancelled. In the case that there is no bonus left from the specific account the bonus will be taken from the related accounts. HotForex also has the right to block the account and send the initial deposits back to the client.
- The maximum bonus that can be awarded per account is \$5,000
- If the Company, suspects or has reason to believe that a Client has abused the terms and conditions of this Offer by hedging his positions internally (using other trading accounts held with the Company) or externally (using other trading accounts held with other brokers), the Company reserves the right, without the Client's consent, to withdraw immediately the Rescue Bonus (and the Additional Bonus if applicable) from the Client's trading account(s) or from his winning hedged accounts.

All Bonus and Incentive Schemes are at the Management's Discretion.
